**Resolution #100-17**

**Mr. Torrence moved, seconded by Mr. Elasky that the following resolution be approved:**

Recommend approval of Resolution to oppose how the Athens County Land Bank would be funded.

Whereas, the Athens County Commissioners and County Auditor have proposed the creation of a Land Bank for the purpose of establishing another mechanism to collect delinquent taxes.

Whereas, the current proposal to fund this new Land Bank would be through increased property tax collection fees whereby 70% of this funding would come directly from local taxes voted for the benefit of school aged children.

Whereas, this proposed funding method would take money voted to support one school district but allow it to be spent in a different school district without approval by the tax payers.

Therefore, the Board of Education of Federal Hocking Local School District, while supporting the effort of Athens County to reduce the delinquent taxed owed, is opposing the way in which the Land Bank would be funded and requests the County Commissioners not approve any such measure that would significantly fund the Land Bank by taking tax money intended for schools and children services.
