SIGNATURE OF PRINCIPAL: _____

SIGNATURE OF SUPERINTENDENT: _____

.....

INTERDISTRICT OPEN ENROLLMENT GUIDELINES

The Federal Hocking Local School District Board of Education believes that students should, under certain prescribed circumstances, benefit from an interdistrict open enrollment policy. Guidelines for the transfer of students, based upon criteria established by the school's administration and in conjunction with recommendations from officials of the Ohio Department of Education are listed below. These guidelines are intended to be consistent with Section 3319.98 of the Ohio Revised Code.

1. Interdistrict enrollment limits may be set by the local school district by grade level or on a course-by-course basis.
2. No student, once accepted, will be displaced should enrollment exceed the limits stated above. The administration will determine building assignment, without guarantee that the building assignment (elementary) will prevail in subsequent years.
3. Enrollment in a special program, e.g., gifted, learning disabled, developmentally handicapped, will dictate which building a student must attend, as units are placed in buildings according to space availability.
4. School districts are not required to institute any special education programs to serve transfer students. If a student is evaluated for placement in a special education program, representatives of the district of residence must be invited to participate in the placement meeting.
5. All approved transfers are in effect for the current school year only, and may be discontinued at the discretion of the administration in subsequent years.
6. Applicants shall be considered on a first-come, first-served basis with an assurance that native (home) students will not be displaced. Participants in previous projects will be given preference.
7. OHSAA Athletic eligibility guidelines will be in effect.
8. The Federal Hocking Local School District will accept no responsibility for the transportation of students to other districts unless it is deemed practical by the administration.
9. The Federal Hocking Local School District may deny enrollment to students who have been expelled or suspended for ten (10) or more consecutive days in the current term or the immediately preceding term.
10. Superintendents may, by mutual agreement, waive the stated enrollment deadline up to the first full week of October, should extenuating circumstances exist.
