## P.T.O. Highlights

P.T.O is looking for officers (President, Vice President, and Treasurer) for 2019-2020. Please consider how you can be of assistance. An organizational meeting will be held at the beginning of next school year.

Thank you to everyone who supported our P.T.O. this year. Proceeds from the Spring Carnival helped our students to explore the world around them. Students went on many field trips including: Hallowpalooza, Farm Day, Hocking College, Water Day, the Columbus Zoo, the Hocking Valley Scenic Railway, the Chesterhill Produce Auction, visiting the other buildings in our district to present the Kindergarten Litter Fair, Athena Grand, and more!

Please continue to save Box Tops over the summer! Have a great summer!

*Please remember to have your child **READ** a little each day this summer— keeping their brains in shape over the summer will help to lessen the “summer slide”. We want our students to maintain their current skills and continue to grow and learn. Have your child write to his/her teacher, principal, or a penpal, cook a new recipe, go on a hike and research an animal or plant that is seen, help to build a special project by measuring materials, catch lightning bugs and let them go, and **PLAY!***

*We look forward to seeing everyone back for our 2019-2020 Open House on Monday, August 19th and on our first day of school, Wednesday, August 21st.*

Amesville Elementary School Staff is looking for a parent representative for our building Site-Based Team. The Site-Based Team is a shared decision making group made up of teachers and staff, the principal, the superintendent, and a parent. Monthly meetings are held in order to discuss various school activities. If you are interested in serving on our building Site-Based Team for the 2019-2020 school year as a parent representative, please contact Mrs. Blower for more information.
